4. Page 4 of the diploma is not filled out.

Notes.

1. **○** – defence element – a hologram showing the Large National Coat of Arms, under which an inscription “vocational education” is placed in semicircle, but in the background on the horizontal lines – the inscription “Ministry of Education and Science”.

2. The information indicated in the angle brackets is written or printed for each particular case. The rest of the text is printed and identical in all certificates of vocational basic education.

3. If a vocational secondary education is acquired at a college, the name of the relevant department of the college is indicated in addition when designing page 2 of the diploma.

4. If vocational secondary education has been acquired in a vocational secondary education institution subordinate to the Ministry of Culture, which has been established by reorganizing vocational secondary education institutions subordinate to the Ministry of Culture, in addition on page 2 of diploma, the name of the structural unit, in which the relevant education programme has been provided, is indicated, if this structural unit has retained the historical name of the reorganised education institution.

Minister of Education and Science I.Druvieta
