SQF development and referencing process

- November 2010: started discussions about SQF
- May 2013: Slovenian Referencing report was presented to the EQF AG
- October 2014: final version of Slovenian Referencing report
- December 2015: SQF Act adopted in Slovenian Parliament

SQF Act defines:

- SQF as the unified system of qualifications in the Republic of Slovenia
- the correspondence between SQF levels and the European Qualifications Framework for Lifelong Learning (EQF) and the Qualifications Framework for the European Higher Education Area (QF-EHEA),
- procedures and competences with regard to the referencing of qualifications,
- the establishment of a National Coordination Point for the SQF and the EQF,
- the SQF Register.

Nature and scope of the SQF

Philosophy: framework of communication

Purpose:

- to achieve transparency and recognisability of qualifications in Slovenia and the EU,
- to support lifelong learning;
- to connect and coordinate Slovenian qualifications subsystems;
- to improve accessibility and quality of qualifications with regard to the labour market and civil society.

Structure: comprehensive framework
